Mrs. William Cassida, president of North High PTA, announces that special efforts are being made to encourage parents and teachers to work more closely for youth welfare this ensuing year. The business portion of each meeting will be brief, and the program will feature some item of interest and information to parents.

Tentative plans for the proposed budget were laid at a recent meeting with special emphasis for the Flu Clinics to be held again this fall.

HICKORY

Hickory PTA recently held their annual planning meetings to be ready for the new year.

The ways and means committee met at the home of the chairman Mrs. R. Anderson. Next year's money-raising plans include four movies, three paper drives, a carnival, kidnap breakfast, tea and fashion show, and a magician.

The program committee met at the home of the chairman, Mrs. William Hussey. Next year's program will again center around the theme "Focus on Family, Faith, Freedom." Plans include panel discussions, films, speakers, spelling bee, and a Founder's Day skit.

The first vice president and membership chairman, Mrs. Josef Ruzek is spending the summer in England visiting her parents. As soon as the budget committee meets, the newly installed president, Mrs. Harley Gray and family plan to spend three weeks in Wyoming resting and gathering strength for a really swinging new year in Parent Teacher Association.

MEADOW PARK

The Budget and Finance committee met in the home of Meadow Park PTA President, James M. Rea, to prepare the tentative budget for the 1963-64 year. Participating were: D. Boone Kirks, principal; Nathan D. Kliever, Mrs. Jack D. Horner, Mrs. Julie Kempner, treasurer; and Mrs. John W. Richardson, Jr., budget and finance chairman.

CARL STEELE

The program committee of the Carl Steele PTA met at the school July 9 for final decisions on the 1963-64 program. Attending were: Mmes. K. E. Spooner, T. W. Blair, C. H. Phillips, Louis Bisou, Mr. John Kasser, Mr. Kenneth Spooner and the program chairman, Mrs. Earl Knox.

will be held on the second Thursday of the months of October 1963 through May 1964, using the general theme of "Focus on Family, Faith and Freedom."

Promoting the getting-acquainted which is so conducive to repeat attendance at meetings, the theme of the Oct. 10 meeting will be "Family and Community Friendliness." Carrying out a theme previously requested, the Nov. 14 program will be on "Learning Fundamentals of Safety" and will feature a speaker from the Torrance Fire Department.

The season dictates the program for Dec. 12, and the primary department students will entertain in the mood of "Old Fashioned Christmas."

The Jan. 9 meeting will attempt to promote "Better Understanding of Our Children." There will be a requested repeat of a panel of two students in addition to the choice of some such suggested authorities as juvenile officer, child psychologist, and judge.

In line with the Founder's Day and Honorary Life scheduling for the Feb. 13 meeting, the theme title will be "Focus on Past and Present." The March 12 program of "Achievement of Tomorrow's Children" will feature a showing of the work of the upper grades in their Home Economics and Shop classes—a broadening of last year's successful fashion show.

Open house at the school on April 9 will coincide with the program theme of "Freedom through Education." The May meeting will include the installation of officers with the featured speaker being Dr. Walberg of the Congregational Church of Christ of Redondo Beach. Very appropriate for the beginning of another year with new officers—his speech will support the theme for the evening, "Faith in the Future."

Lincoln

A special meeting of the Lincoln Elementary PTA Executive Board was called by President Mrs. Andrew Foster at her home to consider special legislation as endorsed by the California Congress of Parents and Teachers. A special report was given by the legislative chairman, Mrs. Ralph Garland and further explanation was made by the school principal, Ernest Thom. After careful consideration and discussion by the board it was decided that notification would be sent to the District Assemblyman in Sacramento.

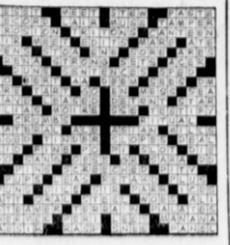

Ratification of the new student welfare was made and introduction of chairmen by the president followed. It was announced that there would be a special program planning meeting on Thursday, evening. Other committees meeting this month will be the budget and finance, ways and means and by-laws and standing rules committees. The board will meet again on Aug. 15 at the home of Mrs. Harold Erickson. Each member is to bring a sack lunch and Mrs. Erickson will serve dessert and coffee.

Attending the special meeting were Mmes. A. C. Bongiorno, Earl Pitts, Malcolm Rhodes, Salvador Paldino, Richard Anderson, John Richardson, Rupert deLeon, Ralph Gring, Harold Erickson, K. Yuge, Harold Caswell, Ira Cox, Ralph Garland and Mr. Ernest Thom.

Birthday Party

Birthday celebrants at Marineland Restaurant on the Palos Verdes peninsula were Mr. and Mrs. John Vaules of Torrance, who entertained a table of friends with a seafood dinner on the occasion of Mrs. Vaules' natal anniversary.

SOLUTION

Voter League Supports Mental Health Measure

A call to action was received this week by the League of Women Voters of Torrance from the state league regarding revenue measures passed on the final day of the legislative session in Sacramento which resulted in deletion of funds budgeted for Short-Doyle services and education.

League members are urging legislators now in special session to give high priority to money to implement Senate Bill 636 which passed both houses of the legislature by overwhelming votes and to increase school aid.

Support to have funds budgeted to carry out education and mental health services is also being sought by league members from other concerned citizens.

The League of Women Voters of California has actively endorsed improved

mental health services in this state for many years. Members worked for passage of the Short-Doyle Act for Community Mental Health Services which was passed by the legislature in 1957.

Purpose of the Short-Doyle law is to encourage and financially assist local governments in establishing locally administered and locally controlled mental health programs. Senate Bill 636 increases to 75 per cent the amount the state government may reimburse local governments for these services.

California League members have worked towards securing a high standard of education and towards improving the financial structure of public elementary and secondary education ever since they completed their study of public education in the state.
